ABOUT ME

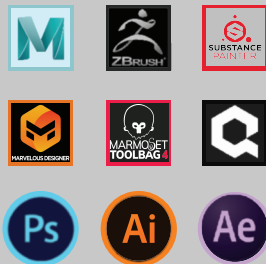

A highly professional and detail-oriented 3D Artist with a relentless passion for creativity and success. Holder of a BSc in Computer Science from Lancaster University, UK and an MSc in Creative Technology from Leeds Beckett University. With professional experience in the 3D industry, I am currently seeking a challenging, rewarding, and mutually beneficial employment opportunity within a dynamic, passionate and forward-thinking organization. I am committed to continuous growth and learning, always seeking out new challenges and opportunities to expand my knowledge and expertise. My goal is to leverage my skills and creativity to make meaningful contributions to the gaming and entertainment industry, pushing the boundaries of what is possible in the world of 3D art.
