ABOUT ME

My name is Nedi and I am 25 years old from Nicosia, Cyprus.

I Studied Multimedia and Graphic Arts and I am a new passionate designer who loves illustration, branding, typography and social media.

I also have 3 years of experience in the field of Marketing and HR. In that field

I am experienced in managing employees, recruiting, being a team leader and

working with everyone as a team. Also, I developed negotiation skills and my public speaking.

I am always looking forward to learning new skills and improving myself.
