# ABOUT ME

I'm Nickos, a photographer and video editor from Greece based in Limassol, Cyprus with over 8 years of experience.

Throughout my career, I've consistently been active on social media, sharing my work and connecting with a wide audience.

My expertise spans across Adobe tools and AI-based software, allowing me to create dynamic and engaging content. I'm passionate about visual storytelling and always aim to push the boundaries of creativity in every project.
